

ST. DAVIDS CRICKET CLUB

9th ANNUAL REPORT

PRESIDENT'S REPORT

I feel that season 73-74 was most disappointing both on and off the field and this can only be attributed to the fact that enthusiasm was at a minimum.

The same minority of members are making the effort each year but a successful club needs the participation of all concerned.

The Young players are around the Club and this was borne out when both U12 and U14 made the finals - a just reward for a season of dedication and application by both players and team managers.

Should this type of dedication spread throughout the Club, we will once again be the power that we have been in former years. My thanks to the Committee whose assistance through this difficult season enabled the Club to function in an efficient manner.
